TIME UP FOR VOLUNTARY SURRENDER OF ARMS

Up to this Afternoon Three Thousand Guns Have Been Turned in to Col. Lockett, Chiefly by Private Citizens

STRIKERS CLAIM THEIR ARSENELS ARE CLEAN

House Today Passes Administration Bill Giving State Control of Sale of Firearms in Time of Stress.

[By Leased Wire to Evening Herald.]
Trinidad, Colo., May 13.—With the time limit within which all persons in the strike district are commanded to give up their arms expiring at 6 o'clock today, Colonel James Lockett announced that total of about 2,000 guns of all descriptions had been turned over to the federal troops. He said that he had received no orders to search for weapons, but that after 6 o'clock any arms found in possession of unauthorized persons would be confiscated.

The number of guns—rifles, shot-guns and revolvers—surrendered by the strikers was announced as \$22, exclusive of the shipment of 200 rifles taken by the troops upon its arrival at a railroad station. The operators have turned over \$40 rifles, shotgun pistols and five machine guns. One machine gun was received from the strikers of Huerfano county.

The rest of the 2,000 guns were received from private citizens, and Colonel Lockett is plain that he had no orders for a search of houses, tent colonies or of the mountains for guns thought to be concealed. Any weapons taken after 6 o'clock, however, will be confiscated and not returned to their owners.

One troop of cavalry from Fort Wingate, N. M., was expected to reach Oak Creek, Routt county, tonight or tomorrow. Major W. A. Hamrock started for Routt county today to take command of any federal troops to be stationed in that district.

Two men arrived yesterday from California, seeking work in the mines. Upon their arrival, they told the military authorities that they had been deceived and that, having discovered that the strike still was unsolved, they wanted to be sent back home. Colonel Lockett declined to interfere.

DIAMOND CONTENDS STRIKERS HAVE SURRENDERED ALL ARMS

Trinidad, Colo., May 13.—William Diamond in charge of union headquaters today issued a statement on disarmament. He contended that practically all the arms in possession of the strikers in Las Animas county had been surrendered.

"In the battle of Ludlow on April 20," Diamond said, "there were 12 guns in the tent colony. After that, the strikers appealed to their friends in Trinidad. As a result, about 200 rifles were loaned to the strikers in Las Animas county. These rifles have been returned to their owners, who presumably have turned them over to the federal troops. The only shipment of guns which reached this county was immediately surrendered by us. We bought a few guns from local dealers, these, so far as possible have been surrendered."

"It must be remembered also that large parties of Greeks from New Mexico came here during the fighting, as did many sympathizers from Fremont county; these men brought their own guns and took them home with them."

"There were, altogether, about 200 men with guns in Trinidad on the morning of April 20. As nearly as we can estimate there are not more than 25 strikers in Las Animas county who are holding guns. We are making every effort to round up these men."

BRYAN'S DOVE OF PEACE RUDELY KICKED AROUND

[By Leased Wire to Evening Herald.]
Washington, May 13.—The dove of peace in the office of Secretary of State Bryan was rudely disturbed today when Jacob E. Connor, formerly consul at St. Petersburg, and Frank N. Bauckett, Secretary Bryan's confidential clerk, engaged in a flat fight. Mr. Connor objected to being delayed in Secretary Bryan's ante room while

other visitors saw the secretary and engaged in an argument with Bauckett, which developed into a physical encounter. The combatants were separated after Bauckett's nose was bruised and Connor's cheek was cut.

Mr. Connor said he had made several ineffectual attempts to see Secretary Bryan to find out why he had been dismissed from the service.

and get them to surrender their arms."

Work on the new tent colony at Ludlow was continued today. Up to this morning only one tent had been erected, the strikers having been delayed while waiting for lumber. The new colony will be laid out in streets with spaces 20 feet between tents. Each nationality will be in a separate division, with a leader in command. Peter Quinn will be in charge of the entire colony.

Diamond said that as soon as the colony was populated a census would be furnished to the army authorities in compliance with the demand of Lockett.

HOUSE PASSES BILL FOR FIRE ARMS SALE CONTROL

Denver, May 13.—The bill giving the governor authority to control the sale and purchase of firearms in the state in times of internal disorder passed the house on third reading today by a vote of 27 to 16.

By a vote of 35 to 16 the house failed to adopt the so-called emergency clause and safety clutch to make the measure effective immediately and prevent its being referred. The supporters of these clauses failed by 5 votes, it being necessary to adopt them.

The debate hinged largely on the conduct of the state labor department and became so acrimonious that on motion by Senator Parrish further consideration was postponed until 2 o'clock this afternoon.

The debate engaged in a lengthy debate on the Napier resolution which pledges support to the governor in his law and order program.
